

LEADERS EAT LAST

Building a strong culture through “Corps Values”

CULTURE

GOOD OR BAD?

The image features two human arms against a solid grey background. The arm on the left is highly muscular, with the bicep and forearm muscles clearly defined. The hand is clenched into a fist. The arm on the right is much more slender and lacks significant muscle definition. Its hand is also clenched into a fist but is held at a different angle, pointing upwards. The text 'STRONG OR WEAK?' is superimposed in the center of the image, spanning across both arms.

STRONG OR WEAK?

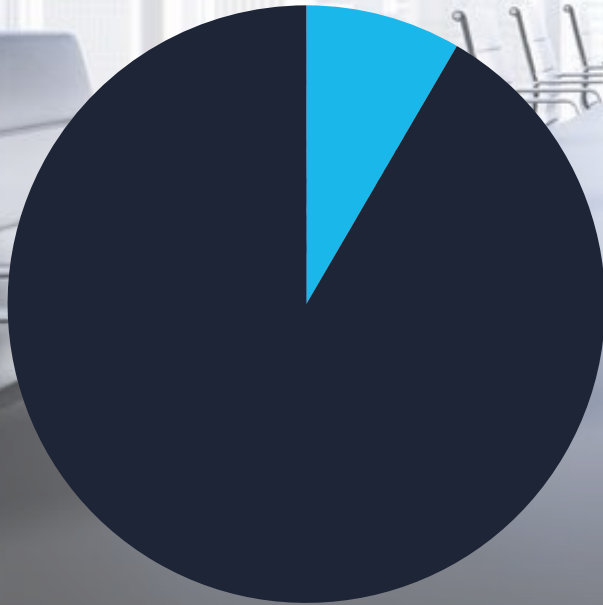

A group of soldiers in desert combat gear, including helmets and tactical vests, are standing in a desert environment with a rocky cliff in the background. The image is overlaid with a dark semi-transparent band containing white text.

MARINE CORPS

The background of the slide features a silhouette of three soldiers in full combat gear, including helmets and rifles, standing on a hill. They are positioned against a bright, low sun that creates a strong lens flare and a warm, orange-gold glow across the sky. The soldiers are facing right, and their forms are dark against the bright background.
