

2016

Upper Midwest Health Expo

Annual Fall Conference

October 7th & 8th | Earle Brown Heritage Center

Patient Safety is Central to Our Work

Learn With Your Peers

The Upper Midwest Health Expo provides attendees with all of the resources needed to elevate professional growth and promote increased professionalism within their department. Our featured speakers are highly respected industry experts in Sterile Processing, Surgery, and Infection Prevention.

It Takes a Team

We encourage professionals from Central Service, Supply Chain, Surgery, Clinical, Infection Prevention, Risk Management and anyone who has an impact on patient care.
